France Bestows High Honor on Gen. Chaffee

Makes Head of the American Army a Grand Officer in the Legion of Honor—Congress Must Give Permission for Acceptance.

PARIS, Sept. 15.—To General Chaffee has just been given a grand officership in the Legion of Honor by the French government. It is a recognition of the honor of his presence at the maneuvers. General Chaffee and the other army officers honored by the French government will be unable to accept the decorations unless authorized by Congress.

JUDGE PARKER TALKS OF GRAFT

Says the Nation Must Be Protected.

LOOKS TO THE DEMOCRACY

The Restoration of That Party in Power to Be the Medium.

CINCINNATI, Sept. 15.—"The nation must be protected from graft," declared Judge Alton B. Parker before his departure for Maysville, Ky. "It must be restored from misguidance, and many of the best Republicans admit this."

Looks to Democrats.

"I can see no hope for that reformation for which the people of the United States are clamoring, save through the restoration of the Democratic party."

Judge Parker went to Maysville to argue a case in the federal court. He said he appreciated the humorous side of the landslide but attributed the defeat of the party to dissensions within it.

Internal Dissensions.

"With conditions such that it was difficult to find two Democrats who were on speaking terms," he said, "there was little prospect of a successful campaign. Internal dissensions must first be obliterated before the party can hope to win at the coming election."

MASTER BAKERS IN FINAL SESSION

Will Adjourn After Installation of Officers.

DINE AT GRIDIRON TABLE

Listen to a Number of Addresses by Prominent Members and a Clever Monologue.

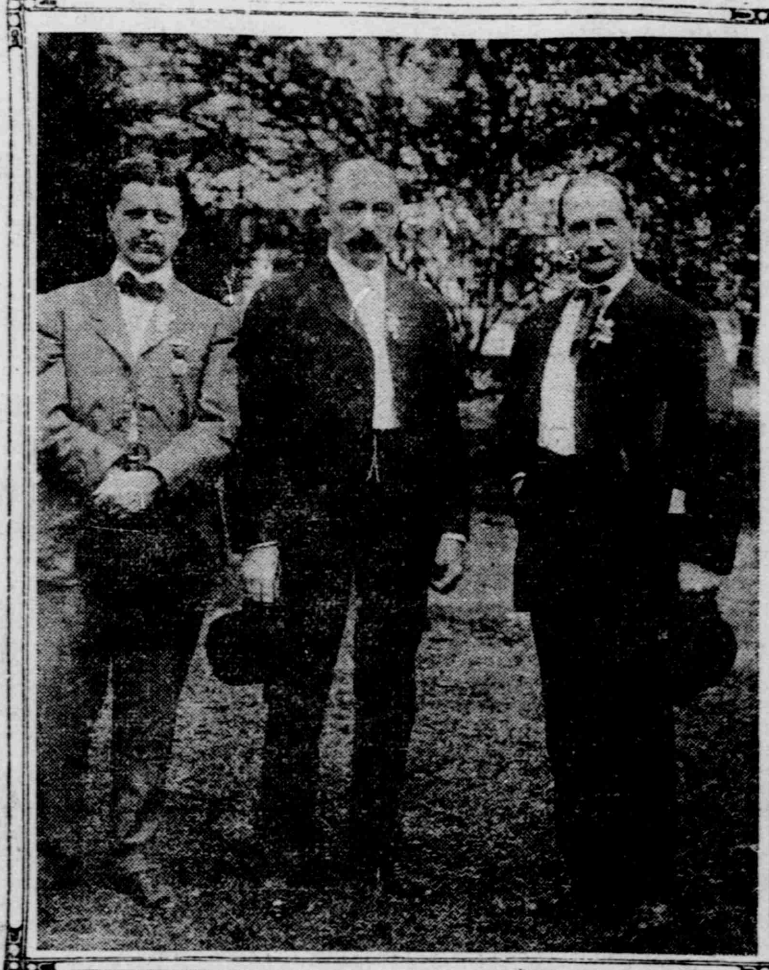

The master bakers assembled this morning for the last session of their eighth annual convention. It continued until late this afternoon, and will adjourn after the officers are elected and the new president is installed. The delegates expect to leave for their homes today or tomorrow, and are now making their last sightseeing trips.

Last night the bakers concluded their entertainment features with a banquet at the Arlington Hotel. The table was arranged as a gridiron, and decorated with creeping vines, vases of cut flowers, and chrysanthemums. An orchestra in an adjoining room furnished the music.

A number of short speeches were made, the first by Mr. Boettler, the acting president, introducing Mr. Shepard, of Boston, as toastmaster. Mr. Andrews spoke on "Our Country," which was applauded. Walter C. Quackenbush, of New York, spoke of "The Ladies," remarking that they have helped the members to enjoy themselves by their presence.

"Our Honorary Members," and "Our Trade—Past, Present, and Future," followed. William C. Kelly, appearing this
